

I am so fluid, focused, and willing to learn new things. In all, I believe in knowledge integrations.

ABRAHAM NDICHU

Software engineer

Nairobi, Kenya

Work Experience

Service Man • National Youth Service

June 2016 - September 2021

I underwent a six-month basic training course at the NYS college in Gilgil which included Parades, Foot Drills, Firefighting, Firstaid, and Disaster Management, among others. I was posted to the Mavoloni field unit in Yatta for the National Building Program. Thereafter, I was offered a Diploma in Information Communication Technology at The Kabete National Polytechnic.

Internship • Kitusuru Chief's Office

June 2020 - December 2020

Reported back to my instructor to receive day-to-day tasks and responsibilities.
Produced high-quality communications for internal and external use.
Sorted, organized, and maintained files.
Interacted with customers by phone, email, or in-person to provide information.
Analyzed problems and worked with teams to develop solutions.

Internship • Kibagare Academy Center(cbo)

September 2020 - October 2021

Reported back to my instructor to receive day-to-day tasks and responsibilities.
Provided clerical support, addressing routine and special requirements.
Produced high-quality communications for internal and external use.
Communicated effectively with faculty and staff and accepted critiques and suggestions for areas of improvement.
Helped with administrative support by managing incoming calls, coordinating files, and sorting mail.
